Dear President Robinson:

The Accrediting Council on Education in Journalism and Mass Communications met April 25 and voted 20-0, with one member recusing, that the undergraduate program in the Division of Journalism at Florida A&M University receive reaccreditation. William Jiles, director of the Division of Journalism, attended the meeting, which was conducted via video/audio conferencing because of the pandemic.

The Council concurred with the recommendations for reaccreditation made by the Accrediting Committee and the revisit site team.

We will be in touch with the director about the next visit for the division.

Please accept my congratulations and best wishes for continued success for the Division of Journalism at Florida A&M University, its students, faculty and the professional media constituencies it serves.

Sincerely,

Peter Bhatia
ACEJMC President
