Moez Limayem, President  
University of North Florida

Dear President Limayem:

The Accrediting Council on Education in Journalism and Mass Communications met May 3, 2024, in Washington, D.C., and voted 16-0, with one recusal, that the School of Communication at the University of North Florida receive reaccreditation. Director John Parmelee attended the meeting.

The Council concurred with the site team and Committee recommendations for reaccreditation.

We will be in touch with Dr. Parmelee about the next visit for the school, scheduled for the 2029-2030 academic year.

Thank you for the opportunity to participate with your faculty and administrators in the assessment of your program. The goal of the Accrediting Council is to improve the quality of education offered to students served by a program through that assessment. Please accept my congratulations and best wishes for success for the School of Communication, its students, faculty and the professional media constituencies it serves.

Sincerely,

Del Galloway, ACEJMC President
